History/Vision

Founded in 2000, by the Tacoma Dominicans, Catherine Place improves the lives of women through Hope, Healing and Connection. Our vision guides us to affirm the worth in one another with loving compassion.

We are women empowering women; listening, learning and sharing, honoring diversity and all cultures and building healthy relationships in families, neighborhoods and communities.

We provide assistance to over 1,000 women annually.

Our Programs

Individual Support and Advocacy: Women receive information, education, and resources pertinent to their needs in a supportive environment.

Support Groups and Circles: Women experience new insights and build healthy relationships, providing and receiving encouragement and support from their peers.

Leadership & Community Building: Circles foster development of voice through a model of shared leadership and rotating responsibility.

Workshops: Women experience new art forms, alternative healing, and spiritual growth in a supportive environment.

Healing Arts: Specialized healing services promote relaxation and self-care, including; healing touch, reiki, biomat, yoga, and aromatherapy.
