Hope

Connection

## ***Dear Catherine Place family,***

The past year has been one of growth for Catherine Place. We have grown our programs, our staff, and our board. This process has been filled with intention and love. We have so many things to celebrate.

Our Circle practice has expanded and we've trained over 20 new facilitators in the Circle Way. We've welcomed Mary Bryan as our new Care Advocate, supporting women with one on one attention. We've also welcomed five new board members!

I'm deeply grateful to be in a place where so many loving, caring, inspirational women gather. We have remarkably dedicated staff, volunteers, and community partners all coming together to support women with needs ranging from a listening ear to food and shelter.

The board and staff have been working on our strategic plan and encourage your feedback on how we're doing with our goals:

1. **Sustainability:** Broadening our network to strengthen community connections, sustain operations, and fulfill our purpose.
2. **Consistency & Quality:** Ensuring all staff, volunteers, and contractors demonstrate the values, knowledge, and skills necessary to ensure consistent high-quality services.
3. **Intergenerational Transmission of Feminine Perspectives:** Enhancing opportunities for diverse women of all ages to ignite positive personal change and build community.

Catherine Place continues to flourish because of you – our devoted friends and supporters. Thank you for being such a generous and compassionate community. Together we are improving quality of life for women!

In Hope, Healing, and Connection,

Traci Kelly, Executive Director
