

# Where do your donations go?

Last year Catherine Place served more than **1,000** women

**Juntas en Trancision** (Together in Transition), Pierce County's only ongoing domestic violence support group offered in Spanish has been at Catherine Place since 2007

Emergency Support including gift cards for groceries and gas, payment of utilities and purchase of transportation totaled \$663.25.

This is a service that other organizations have a hard time providing and is much needed in our community.

## Hope, Healing, and Connection
